## Your Annual Impact: Regional to Worldwide

Your generosity doesn't stop at our Zoo gates — it reaches across the globe, safeguarding species and habitats, and ensuring a brighter future for all living beings. Since 1991, Society donors have contributed more than \$40 million in support, enabling conservation breakthroughs and life-changing education initiatives. Your support makes these moments possible, creating experiences that no book or video could ever replicate.

### Our Mission

The mission of the Saint Louis Zoo is to conserve animals and their habitats through animal management, research, recreation, and educational programs that encourage the support and enrich the experience of the public.

## Join a Tradition of Conservation and Community

Corporate donors of the Marlin Perkins Society are more than supporters — they are essential members of the Saint Louis Zoo family.

As a non-profit and free zoo, we rely on corporate support to help fund our highest-priority operational, environmental and animal care needs. These gifts also help to provide educational and memorable experiences for our 2.9 million annual guests, which include your colleagues and their families.

Beyond generous financial contributions, corporate donors champion impactful conservation efforts and advocate for the irreplaceable role zoos play in fostering empathy; providing education; and inspiring future scientists, conservationists and philanthropists. Simply put, the Saint Louis Zoo would not be the global leader it is today — free to all and celebrated for its animal care, ground-breaking research and unforgettable guest experiences — without the generosity of our Marlin Perkins Society corporate donors.
