QUESTIONS | ANSWERS

1.	For the payment and performance bond line item do you want just the cost of the bond (which is not included in the base bid (line above) or do you want the labor, tools, equip and bond cost all together?	The performance bond is not included in the base bid. There is a separate line for the cost of the Performance Bond. The Performance bond is only required if the total cost of the project (labor & materials), exceeds \$75,000. So, if your proposal is under \$75,000, there's no need to include an amount for the bond.
