

Sustainability Bingo

Work as a family to accomplish some of these sustainable actions at home!

Turn off the lights when you leave a room	Buy sustainable seafood	Plant pollinator-friendly plants	Make art from recycled materials
Bring your own silverware and straws	Pack your lunch in reusable containers	Walk or ride bikes to a close favorite spot	Buy products containing sustainable palm oil
Go for a walk in nature and safely pick up trash	Write and print on both sides of paper	Make a meatless meal	Compost food scraps
Use reusable bags at the store	Put a rain barrel in your yard	Use reusable water bottles	Turn off the water while you brush your teeth
