QUESTIONS | ANSWERS

1. What are the circumstances of the location the model will be positioned in most of the time? **The model will be located outdoors under a solid canopy, and protected from direct sunlight.**
2. Is there a photo of the intended location(s)? **No.**
3. Will the model be permanently located there, or moved there each day of reasonable weather? **We anticipate that it will not be frequently moved.**
4. We assume the model will be generally unattended by staff when it is available to zoo guests. Please confirm. **Yes**
5. What is the intent of the acrylic cover? **The top is to prevent guests from handling the model. See #1.**
6. So, will the model be subject to direct sunlight, moisture, and windblown rain? **See #1.**
7. Is a Performance and Payment Bond required in this case? **Performance bonds only apply to construction projects.**
8. Is there a list of attendees to this meeting? **See list above.**
