**QUESTIONS | ANSWERS**

1. I see that (the RFP) says it MUST print in St. Louis County/City. (W)e could print the sheets (outside city limits) and bring back to our STL plant to do all the bindery? Not sure if that is even feasible. Let me know your thoughts. **Bidders may provide two proposals in this scenario; one printed locally and one outside city limits. The Zoo will evaluate each separately. Note, if pricing between bids is equal, preference will be afforded to the local option.**
2. Can I pickup a sample of the map brochure today to see how it folds? Is it an accordion fold? **Samples are available to pick up at the Welcome Desk. The map is a 5 panel roll fold. Photos below.**
